

JAYNE WALTHER

Visual Artist

Every phase of my life's journey has offered new experiences that have brought me to this point of creating and sharing my art. Insatiably curious about the invisible energy that surrounds us, I dwell in silent spaces listening and observing, looking beneath surface layers for truth. Working from my soul, I translate what I find and the language I use is art.

ABOUT

Born 1962, Newark, New Jersey
Currently lives and works in Raleigh, North Carolina
