

# MARGARET FRONIMOS

VISUAL ARTIST

## MORE ABOUT ME

I am an intuitive, self taught artist utilizing multiple mediums to explore what it means to be human.

My paintings are meditations on healing, mythology, and spirituality. My photography seeks to answer the question, "what is beautiful, and how can we adjust our lens to see beauty in all beings?"

## ACADEMIC BACKGROUND

### Western Governor's University

*BA OF SCIENCE, GRADUATED IN 2013*

## EXHIBITIONS

- Art Prize 2021, Grand Rapids, MI
