## Professional Experience

---

2005-present Booksmart Studio, Inc.– Founder

- Fine art digital printing and publishing company servicing photographers and artists with various forms of digital printing and book production. Booksmart Studio's specialty is in the creation of fine edition books & prints utilizing inkjet technology along with our HP Indigo press.
- The fine edition book production is completed by-hand in the studio and is completed from design to finished bound books in-house.
- Booksmart Studio has a fine balance between the geek of digital printing and the hand craftsmanship of traditional printmakers.
- Printers utilized are comprised of various models including: Iris Giclée, Canon IPF Series, Epson, & HP printers.
- Scanners utilized are the Imacon Flextight Precision III, Howtek drum scanner, and the Scanview Scanmate F10 high-end flatbed scanner.
- Also offering industry research to several International paper companies along with industry training for their customers.
- Training in the form of white papers or tutorials on-line or in-person workshops that have been hosted Internationally.
- Booksmart Studio also has two products which we sell around the world, these are our Fine Art Inkjet Metal & Libro Collection.

Our websites include:
