## EMPLOYMENT HISTORY:

### 2016 – Current | Founder and Executive Director, TILA Studios

TILA Studios is a visual arts incubator headquartered in Atlanta, GA that empowers Black Women Artists to create and showcase their art. We are working to increase representation in museum and gallery spaces because only 4% of art in galleries and museums across the United States are from black women artists.

### 2020 - Current | Artistic Director, National Black Arts Festival

NBAF (National Black Arts) is a nonprofit organization with a legacy of providing stellar artistic and educational programs in music, dance, film, visual arts, theater, and the literary arts.
