Education:

I hold a university degree of International Management, but have been creative my whole life. However I started to transform emotions into colors as a sort of a balance to my human-centered work as an individual coach and consultant in international organizations. I began by painting self-taught, but developed painting skills in several courses and workshops with other artists such as Kunstakademie Eigenart and other institutions in Germany, Austria and France.

Exhibitions:

2022: RD 200 Lieu d'Art Contemporain (Aix-en-Provence, France): Le fil bleu – Der blaue Faden

2022: Incorporating Art Fair (Hamburg, Germany)

2021: Atelier Blaue Citrone (Starnberg, Germany): Flow moments

2020/21: Praxis Dr. Rainer Luick (Munich, Germany): Colourful Life – Das Leben ist bunt

2017: Restaurant La Cantina (Munich, Germany): L'heure bleue – Blaue Stunde

2016: Groupe medical Bertigny (Fribourg, Switzerland): La joie des couleurs - Lebensfreude
