FEDERATION OF CANADIAN ARTISTS
Travelling Show
March 5 - 23

Another **FIRST** for **THE OLD SCHOOL HOUSE!** Our area has the privilege to have the first showing of this exceptional work. Jurying has just been completed and information on chosen artists is still to arrive. It is a wonderful opportunity to see and buy the work of well-known, and up-and-coming Canadian artists.

DON'T MISS IT!!

Audrey Cameron

A few weeks ago, volunteers were invited to an afternoon coffee party and entertainment. They were treated to a delightful poetry reading "When I Grow Old, I Shall Wear Purple" by Audrey Cameron (appropriately dressed in purple). Audrey was followed by Qualicum Beach's very own Gracie Fields, Joyce Barr. The fun and camaraderie of this social event carries over into everyday activities and is what makes our Centre so very special. It was an appropriate occasion for staff to present a gift to Enid Cheney in appreciation for over two year's of dedicated office assistance with sales and tax records.

New signage designed and crafted by resident artist Francois Mongeau will be installed. Look for signs on the side of the building adjacent to the new town parking area, and over the front entrance. In keeping with the old-fashioned schoolhouse tradition, flags are to be placed at the front of the building. Thanks go to our former mayor and board member Art Skipsey, who gathered the flag pole assembly prior to an extended vacation.
