

BRENT LYNCH

composition

All Mediums
For Advanced Artists
Wednesdays November 19 & 26
10:00 am - 4:00 pm
\$150.00 + GST (includes both classes)

As in music and writing, composition is the cornerstone of strong painting. This two session workshop will focus on the language and devices of composition and their relevance to strong image harmony and structure - reduction, division, addition, harmony, balance, movement and relationship. Themes of direct observation and recording will be explored - how does the artist 'stretch' and test these relationships when composing? Development of composition techniques will be through discussion and participation in studio drawing and painting...Brent Lynch
