The 15th annual Grand Prix d'Art was held on July 25, 2008. Thirty-six artists from Vancouver Island and the Vancouver area left their studios to converge in Qualicum Beach for a day of painting "en plein air". The Grand Prix d'Art is a "race". Each artist is assigned, by lottery, a zone in the picturesque town of Qualicum Beach. Competing artists must complete a work of art in the space of three hours. A panel of three judges then determines the winners of the contest. The 2008 Judges were artists John Barton, Merv Brandel and Sally Laidlaw.

This calendar has been created using the outstanding works of the 2008 Grand Prix d'Art artists.

Calendar Concept and Design:

The Old School House Arts Centre

The Old School House Arts Centre (TOSH) was established in 1988 to encourage community members as well as tourists to participate in cultural activities. TOSH is open-year round and offers diverse programming (education, exhibitions and music).

TOSH's Art classes provide students with the opportunity to learn new skills, maintain an active and participatory lifestyle as well as socialize. The Kids' Summer Program at TOSH offers parents and children an affordable and high quality option for summer child care/cultural recreation.

The Community Art Exhibition Program is designed to provide a venue for local residents and visitors to learn about, appreciate and purchase original works of art from Vancouver Island and beyond. The program highlights West Coast culture and promotes the value of art to individuals of all ages. It also provides amateur and professional artists and craftspeople the opportunity to cultivate awareness of and promote revenue in their respective arts, crafts and guilds. TOSH offers monthly and/or bi-monthly exhibitions in three galleries for a total of 36 exhibitions annually.

The Music Program consists of the Music On Sunday Concert Series and the Annual Harvest of Music Festival event. The finest professional musicians from B.C. and all over the world are scheduled to perform throughout the year. An eclectic variety of concerts is offered in order to appeal to diverse musical interests. Harvest of Music concerts and workshops are held in our main gallery, in elementary, middle and secondary schools, in senior citizens' residential facilities and at other locations throughout the town.

The Old School House Arts Centre is a tourist attraction that generates revenue for the community in which it operates and contributes to a positive impression of B.C. communities in general. Approximately 35,000 visitors attend our programs and exhibits annually. TOSH is proud to showcase the talent and culture of Vancouver Island, British Columbia.

Community commitment and support is demonstrated by the extent of volunteerism, by corporate and individual financial contributions and by the volume of visitors/participants. Over 100 volunteers actively contribute to and participate in the ongoing success of TOSH.

All TOSH funds are raised through our many volunteer-based activities in combination with a small, annual Provincial grant and sponsorship donations from local businesses as "Partners In Art".
