Old Growth

June 23 to July 13

We work metal:
drawn from our earth and
forge, shaped and fashioned
in an allegorical
confluence of visual power
inspired by the earth that
was, by the artists we are
today inspired by the
promise of tomorrow.
Our roots are strong, welded
and wedded to the
oscillation of old world and
contemporary practice.
Our limbs seek and embrace
the energy that fosters and
moves us through time
and space.
