

## Courtney Nichelle Coble

Courtney Nichelle Coble is a multidisciplinary artist whose practice examines identity, presence, and transformation through sculptural form and material restraint. Working primarily in epoxy resin, her work explores psychological thresholds where endurance, agency, and renewal quietly unfold. Her sculptures invite sustained attention rather than immediate interpretation, allowing meaning to emerge over time as perception shifts.

### PROFESSIONAL PRACTICE

#### FOUNDER & CREATIVE DIRECTOR

2021 – Present | **Couture Underground LLC**

[coutureunderground.com](http://coutureunderground.com)

- Founded Couture Underground, a platform for my mixed-media artistry, which blends abstract realism, resin art, and traditional fine art to challenge artistic conventions and evoke deep emotional responses
- Curated and launched the Mind-Full-Ness® Collection, a groundbreaking exploration of mental health and emotional depth through one-of-a-kind epoxy resin pieces
- Oversees all aspects of business operations, including art exhibitions, marketing, client relations, and artistic direction
- Own United States Patent and Trademark Office, Service Trademark

#### FOUNDER & OWNER

2012 – Present | **Ouchie Wear® LLC**

[ouchiewear.com](http://ouchiewear.com)

- Established Ouchie Wear, a fashion brand that merges art and fashion through the creation of unique, handmade, and wearable art pieces
- Designs and produces clothing and accessories with a focus on individuality and cultural expression, ensuring each item reflects my artistic values and creative voice
- Responsible for business strategy, product design, marketing, and managing customer relationships for the brand, which emphasizes self-expression and the blending of fashion with fine art
- Own United States Patent and Trademark Office, Service Trademark
- Hold two, United States Patent and Trademark Office, Design Patents: D663433S; D711007
