## **Biography**

Jen Palmer was born and raised in Southwestern Pennsylvania and currently resides in Savannah, Georgia, US. Informed by research based in therapeutic practice, neuroaesthetics, and social justice, she uses traditional and new media to create expressions of radical hope. Palmer identifies as a woman with disability, and is passionate about encouraging other systemically disadvantaged individuals to take up space at the intersection of art and technology. Her work has been featured by various outlets, including Playform, Exactly.AI, Cent, Alternative Press Magazine, and Yahoo! Lifestyle.
