COMMUNITY ENGAGEMENT:

2010-2011: Hidden Arts

Created and ran a free community project where multiple artists hid their art around the city and posted clues online to its location. I used word-of-mouth, flyers, and social

media to promote this project and onboarded multiple local artists to donate pieces. It culminated on Easter 2011 with an “Easter Art Hunt” in Lorenzi Park, Las Vegas.

2012-2014: Travel Bloggers for Change

Participant, Core Committee, and Blogger Wrangler. Raised \$15,000 for grassroots NGOs in the environmental and animal conservation fields. As a Core Committee member, I helped design and organize the event. As Blogger Wrangler, I created the marketing calendar and organized 100 globally-located, travel bloggers to publish marketing articles on their own websites, and I participated by donating my art to the fundraising items.

SKILLS:

Mixed media art, Adobe Lightroom, Photoshop, photography, scenic & stage building for concerts and live events, sewing (machine and hand), project management, travel logistics, & budgeting.
